

## Instructions to use «PayPerWash»- laundry

**Dear laundry user,**

Please follow the instructions below to use the laundry:

1. Download the **AirWallet APP** to your smartphone.
2. Register as a user and create your payment card in the app, this only needs to be done the first time.
3. You can now go to your laundry to use the machines.

If you do not have a smartphone, please contact Pay Per Wash directly during the opening hours between 8 and 17 every weekday. Telephone number: +47 21 62 32 60 or by mail: [support@payperwash.com](mailto:support@payperwash.com)

### **How to use the laundry?**

4. The first time you start the app, when you are in the laundromat, you establish the connection to the relevant laundromat.
5. Choose the desired machine in the app, pay, and start.
6. After you have done the connection in step 4, the machines can also be ordered in the future.

### **The prices to use the laundry is:**

**Wash = NOK 28,50, included soap**

**Drying = 10,-**

The laundry is open around the clock.
